

IMPROVE Communications & Outreach Subcommittee

IMPROVE Steering Committee Report

Bosque del Apache

October 2024

IMPROVE Program Training

- Training topics
 - Overview of the IMPROVE program
 - Visibility Basics
 - Visibility Measurements
 - Accessing the Data
- Providing initial half-day training to WESTAR Planning Committee in December
 - Invite site operators to attend
- Provide a more detailed training after Regional Haze Rule revisions

Using the website as a communication tool

- The website is due for a general update.
 - Include additional training presentations
 - Information for site operators
 - Update would include a subscription service for people to sign up for notifications of data availability.
